ANDREA SCAGLIARINI SPA

Established in 1976, Andrea Scagliarini SpA is based in Bologna, in a strategic position to assist commercial and corporate clients in the North and Center of Italy. We provide cost-effective, cutting edge solutions to our clients both in the Property/Casualty and Employee Benefits fields. Our international team develops and manages outgoing multinational programs on all lines and handles the incoming business produced by WBN members abroad. We broker 270+ multinational programs and the whole multinational business accounts for almost 50% of our total revenues. Our ambition is to be the leading independent italian broker for multinational clients.
